# AUSTRALIAN OPEN INDOOR SKYDIVING CHAMPIONSHIPS 2026

14<sup>TH</sup> TO 16<sup>TH</sup> AUGUST 2025

# **MORE THAN JUST A SPORT.**

**WITH OVER 250,000 UNIQUE VISITORS JOINING US ANNUALLY,  
WE AREN'T JUST GROWING, WE ARE ACCELERATING.**

At iFLY, we have turned the dream of human flight into a unique Australian sporting experience, sitting at the high-stakes intersection of elite athleticism and cutting-edge technology.

Our sport knows no barriers. From 3-year-olds to centenarians, and athletes of all physical abilities, indoor skydiving is leading the way in what is capable with high-performance sport. When you partner with us, you aren't just reaching a demographic; you're reaching a community that believes anything is possible.

Since we started in 2015, our focus has always been on growing the sport here in Australia. It's been incredible to see that effort pay off; last year we welcomed a record 123 teams to our stage. As we move toward the 2026 Championships, we are simply focused on making this our biggest and best event to date.

We invite you to join us as an Official Partner for the 2026 Australian Open. This is a unique opportunity to place your brand at the heart of the action and connect directly with a community that is as passionate as it is diverse.

# **ABOUT THE COMPETITION.**

The inaugural Australian Indoor Skydiving Championships (AOISC) were held in August 2015 as a one-day event. Since then, competitor numbers have steadily increased now attracting flyers from not just Australia but all around the world. The 2025 event saw 247 registrations, with 145 unique competitors, making 123 teams over 17 categories.

The Australian Open Indoor Skydiving Championships welcomes flyers of all ages and skill levels from around the globe to compete. The 2025 event saw competitors from age 7 to 63 and from Australia, Singapore, China, Korea, Thailand, New Zealand, Latvia, Venezuela and the UK.

We are excited for the event to return to iFLY Downunder, the largest wind tunnel in Australia, and over a massive three days! The 2026 Australian Indoor Skydiving championships is the qualifier for the biennial indoor skydiving World Championships.

The 2026 Australian Open Indoor Skydiving Championships are free for the public to attend and will be streamed LIVE to a global audience.

# 2025 HIGHLIGHT REEL

# **ABOUT INDOOR SKYDIVING.**

Indoor skydiving is an all-inclusive exhilarating experience and a highly-addictive sport. It is safe for kids, fun for adults, exciting for teens and realistic for skydivers.

The fully controlled, ultra-safe environment makes it safe for ages 3+ and one of the only adrenaline pumping activities that is fully accessible. Flyers can improve to the point where it feels like they are literally defying gravity and the more people become involved in it, the more addicted they become.

This unique new sport is highly visual, making it an incredibly engaging sport to watch, often captivating the audience.

The cross generational appeal of the sport is driving its growth and with the spectacular show of flyers fast choreographed routines, it's set to continue in popularity and gain momentum to be included in the Olympics.
