5.2.3 Vouchers must be purchased in advanced by Friday 25<sup>th</sup> July 2025.

5.2.4 Vouchers will not be available for purchase on the day.

## 6. General Rules

All competitors who register for the 2025 Australian Open Indoor Skydiving Championships accepts these rules as binding.

### 6.1 Eligibility

6.1.1 Minimum competitor requirement is to be signed off to fly unassisted belly.

6.1.2 All competitors who have not flown at the competition venue must have signed a waiver and a current IBA Account.

6.1.3 Competitors may be of any nationality.

### 6.2 Speed Setting/Practice Flight

6.2.1 Speed setting flights will be available for all registered teams on the morning of the respective competition days prior to the draw being released.

6.2.2 Two (2) x 1 minute rotations will be scheduled for all teams for speed setting/practise. You will be notified of the schedule closer to the competition dates. If you miss your speed setting/practice flight your time is forfeited. The speed setting/practice flight costs are included in your registration fee.

6.2.3 Speed setting will be to determine your competition windspeed. It is the Team Captain's responsibility to confirm the correct windspeed post-speed set, as well as prior to entering the tunnel for all competition rounds. The event will not take any responsibility for any rounds flown at an incorrect windspeed if the Captain did not check prior to entering the tunnel.

6.2.4 Speed setting times will be strictly by the minute. Any late arrivals to your speed setting time will be forfeited.

6.2.5 Competitors within the same discipline will complete their speed setting and practice flights in a rotating sequence. Each discipline will complete their first 1-minute speed setting flights at their designated timeslot. Once all teams have completed their first round, the second 1-minute flights will commence, following the same rotation order. If there are two or fewer teams in a discipline, rotations may be combined with another discipline to ensure sufficient rest periods between flights.

6.2.6 The nominated Team Captain shall communicate with the tunnel instructor to request the speed to be increased, reduced or to confirm that it is fine as it is. The speed reached will be used as the default speed for the team. The tunnel driver shall select the default speed for each team prior to that team entering the tunnel. If no signals are given, then the default speed is assumed by the tunnel driver to be satisfactory.

### 6.3 Competition Officials

General Manager	Kyle Chick
Assistant General Manager	Lauren Hearn
National Marketing Manager	Holly Jaadla
Sports Development Co-ordinator	Matt Boag
FS Chief Judge	Peta Holmes
Artistic Chief Judge	Bich Ha
Artistic Judge	Jamil Pillasch
Artistic Judge	Justin McCormick
Dynamic Judge	Anna Ilyina
Dynamic Judge	Joe Grealy
Dynamic Judge	Mason Corby

6.3.1 Formation Skydiving (FS) and Vertical Formation Skydiving (VFS) categories will be judged by a panel of FAI-rated judges remotely.

6.3.2 Artistic and Dynamic categories will be judged live by a panel of judges.

### 6.4 Equipment

6.4.1 Each competitor is responsible for supplying their own clothing and footwear.

6.4.2 Flight suits, open-faced helmets, goggles and earplugs are available for use if needed.

6.4.3 Other gear including full-faced helmets, weight belts and gloves will be available for hire, subject to availability.

6.4.4 If using own equipment, please ensure that all extra parts (such as camera mounts on helmets) are taped prior to entering the tunnel. If using a G3 helmet, please ensure that side plates are plastic or metal with plastic edges. Metal side plates are not acceptable in the tunnel.

6.4.5 No metal items whatsoever in the tunnel without prior approval by the Event Manager, Chief Instructor, and Chief Operations Officer.

6.4.6 The event reserves the right to inspect all gear on request and deem gear unsuitable if necessary.

6.4.7 All jewellery (such as watches, earrings and necklaces) MUST be removed and all pockets must be emptied prior to entering the tunnel.

# GENERAL RULES

## 6.5 Draw

6.5.1 All draws of the sequence performed on the morning of the competition will be done manually and publicly under the supervision of the Chief Judge.

6.5.2 Teams will have no less than 60 minutes knowledge of the draw before the competition begins.

## 6.6 Re-flights and Appeals

6.6.1 Re-flights will only take place at the Event Manager's and Chief Judge's discretion.

6.6.2 Appeals must be raised within an hour (60 minutes) of the round scores being released. Any appeals raised after this time will be rejected.

6.6.3 In the instance of a team disputing a judging decision, an appeal fee of \$50 will be payable for each appeal raised, regardless of the outcome.

6.6.4 Teams must specify which point(s) in time they want re-judged.

6.6.5 The same judging panel will re-judge the flight.

6.6.6 Only a single appeal and re-judge will be accepted per team per competition. The outcome of the re-judged round will be final, regardless of points scored being more or less than the original judgement.

## 8. Freestyle Music & Video Submissions

### 8.1 CHOOSING MUSIC

All music used must be legally obtained. You may choose one of the following options:

Option 1 – ClicknClear. ClicknClear offers a large catalog of music that's instantly licensable.

Option 2 - Other – any other source of music, including mixes with appropriate license.

Option 3 – Public Domain. Music that is in the public domain, meaning the copyright has expired or been waived, making the work free to use without obtaining a license.

Option 4 – Bespoke Music. Commission original music that is not subject to copyright.

Competitors are responsible for editing their tracks to meet the routine timing requirements. Free Routine Working Time is minimum 75 to a maximum of 90 seconds. Music duration must not be longer than 10 seconds over the routine's time.

### 8.2 UPLOADING MUSIC

The Australian Open Indoor Skydiving Championships is collecting music information and audio files via ClicknClear's License Verification System.

The music file must be exactly as needed for the performance. 3 short beeps followed by one long beep will automatically be added to each file to serve as a countdown to the athletes, judges and audience.

Music must be submitted no later than 10<sup>th</sup> July 2025 (1 month prior to the event).

1. To access the Event for music submission, visit <https://verification.clicknclear.com/my-events/event/69241/invite?token=bdbefa920469d23dcf9dbf12f9625884>
2. You will be required to create a free account. Please use the email you used for your ClicknClear licenses if you licensed your music through ClicknClear.
3. You will first add the following information: Athlete Name, Athlete Email, Category (Select from the dropdown).
4. Upon completion, click 'View Event'.
5. Click 'Upload'. This is where you will submit the music accompaniment audio together with all relevant music license agreements and supporting information for each Athlete/Team. AOISC competitors are responsible to ensure that the uploaded information is up to date at all times. For more in depth information together with screenshots, on how to do this, please see: <https://www.clicknclear.com/participant-lvs-guide>
6. Select the License Source:

# FILE SUBMISSIONS

7. Please upload a maximum file length of 1 minute 40 seconds in .mp3 format. Depending on the License Source selected, you will be required to upload an audio file, the proof of license in original PDF format, and additional information:

Title:

Enter the title of the exact song or piece of music

Artist(s):

Enter the name of the performer(s) or band or orchestra.

8. Submit the information. The system will provide a license verification result (green - licensed, yellow – unverified, red – unlicensed).

For technical support, please contact [support@clicknclear.com](mailto:support@clicknclear.com).

## 10. On the Day

10.1 Event check-in is in the morning of competition from 6:00am in the main entrance foyer. Once checked in, competitors will receive their event bag, team number, and complete a waiver if needed.

10.2. Once all team members are checked in, teams will have their photo taken with their assigned team number.

10.3 Before 8am, each discipline will have a scheduled time for teams to fly their speed setting flights. If you do not attend, you will need to nominate your flight speed before the competition starts.

10.4 After speed setting, teams will be welcomed and the draw will be released to competitors. This will give competitors a minimum of 60 minutes until the first round begins.

10.5 Breakfast and Lunch will be provided, dinner is not.

10.6 You will compete all rounds of your chosen discipline in one day, usually with at least 20-30 minutes between rounds.

10.7 You can compete in multiple events in one day and we will do our best to accommodate requests so you don't have to rush from one event to the next.

10.8 There will be a medal & prize ceremony on the Sunday night after the competition has concluded. After the medal & prize ceremony, we will hold an after party which is a closed-door event. You may bring food and drinks which can only be consumed inside the premises.

## 11. Booking Training

11.1 Team training sessions from Monday, 4 August to Thursday, 7 August are available by request only. To arrange a session, please contact Lauren at [Lauren@ifly.com.au](mailto:Lauren@ifly.com.au).

11.2 Additional training slots will be available on Friday, 8 August and Saturday, 9 August following the conclusion of competition days (approximately 8:00 PM – 10:00 PM).

11.3 Team training is available at a rate of \$990 per hour, or you may opt to use your Superuser account rate for use from the 4th to 10th August. No minimum purchase amount is required.

## 12. Visa Support

12.1 In the event that an invitation letter is required to obtain the appropriate entry visa, submit an email request to [Kyle@ifly.com.au](mailto:Kyle@ifly.com.au).

12.2 The request should include full names, date of births and nationality of those requiring the invitation letter (including family/spectators) and any additional information necessary to obtain the visa.

## 13. Important Communications - WhatsApp

13.1 Live updates for each competition category will be provided throughout the event.

13.2 General event updates relevant to all competitors will be shared via the AOISC Announcements WhatsApp Group.

13.3 Category-specific updates will be communicated through dedicated WhatsApp groups. Please ensure you join the WhatsApp group corresponding to your competition category.
