GENERAL RULES

6. General Rules

All competitors who register for the 2026 Australian Open Indoor Skydiving Championships accepts these rules as binding.

6.1 Eligibility

6.1.1 Minimum competitor requirement is to be signed off to fly unassisted belly.

6.1.2 All competitors who have not flown at the competition venue must have signed a waiver and a current IBA Account.

6.1.3 Competitors may be of any nationality.

6.1.4 One alternate member per team may be nominated before the competition starts.

6.2 Speed Setting/Practice Flight

6.2.1 Speed setting flights must be prebooked for the respective competition days prior to the draw being released. Book Speed setting via the iFLY.com.au/AOISC page. The speed setting/practice flight costs are included in your registration fee.

6.2.2 Two (2) x 1-minute rotations will be scheduled for team who pre-book their speed setting time. Speed setting times will be strictly by the minute. If you do not pre-book or are late to your speed setting/practice flight your time is forfeited.

6.2.3 Speed setting will be to determine your competition windspeed. It is the team's responsibility to confirm the correct windspeed post-speed set, as well as prior to entering the tunnel for all competition rounds. The event will not take any responsibility for any rounds flown at an incorrect windspeed if the team did not check prior to entering the tunnel.

6.2.4 The team shall communicate with the tunnel instructor to request the speed to be increased, reduced or to confirm that it is fine as it is. The speed reached will be used as the default speed for the team. The tunnel driver shall select the default speed for each team prior to that team entering the tunnel. If no signals are given, then the default speed is assumed by the tunnel driver to be satisfactory.

6.3 Competition Officials
